

GMCT online mapping system

DISCLAIMER | MAY 2016

Welcome to the online mapping system of The Greater Metropolitan Cemeteries Trust (GMCT). The GMCT mapping system provides a service to the community to help to locate the burial or interment site of specific individuals using interactive maps of GMCT's cemetery sites.

Your access to this information is subject to the following conditions:

Accuracy of the information

Whilst all care is taken to ensure this information is accurate, GMCT cannot guarantee that the information is accurate or up to date. If you intend to rely on any of the information available from the GMCT mapping system you should consider whether you need to verify the information by contacting GMCT directly.

You can assist GMCT in ensuring our database is as up-to-date as possible. If you have a death certificate that states a burial or interment has taken place in one of our cemeteries and it is not listed on this site, please contact us so this information can be added to our records.

Please note: This database is being updated continuously with new or amended information. Users should be aware that content may change, vary, or be amended at any time.

Nature of the information

The information contained in this site is provided solely on the basis that users are responsible for making their own assessment of the information on the site. Users are advised to verify all relevant information and to obtain their own independent advice before acting on or relying on any information contained in or connected with this site.

Waiver and indemnity

As a condition of accessing the information contained in this site, you agree to waive and release GMCT from any claims resulting from your use of this information. You indemnify GMCT against claims for any loss or damage resulting from your use of this information, whether this loss or damage was caused by the negligence of GMCT or by any other means whatsoever.

Copyright

Information in the manner it appears on this website is copyright to GMCT. Subject to any applicable legislation, the information may only be used, copied or otherwise reproduced, distributed, printed, stored in a retrieval system or transmitted by users on the understanding and by the user agreeing that at all times copyright in the material on this site remains with GMCT. Where appropriate the person using this information is to acknowledge in the material that copyright belongs to GMCT. Copyright must be acknowledged if material is published in any form (print, websites, social media, academic papers, etc).

Users may view, copy, print and use the information on this site for non-commercial purposes only. If information in this site is required by a user for commercial purposes you must contact GMCT via a written request, clearly stating your intention. Requests will be assessed and approved on an individual basis. Use of information for commercial purposes without proper authorisation will be considered breach of copyright.
