

The Greater Metropolitan
Cemeteries Trust

Lasting memories, peaceful places.

A new community space at Keilor Cemetery

COMMUNITY UPDATE | MAY 2017

Following an assessment of community needs and consultation, we are pleased to advise that a new gazebo is being constructed near the pedestrian entrance off Ely Court. This will replace the existing gazebo.

Works are scheduled to commence in late May and the gazebo will be available for public use by mid June. At this time, the existing gazebo will be removed. Please adhere to any safety instructions during this time.

GMCT is committed to providing cemetery facilities that meet the needs of visitors, the community and other stakeholders and which encourage community use of the cemetery in a respectful and appropriate manner.
