

**The Greater Metropolitan  
Cemeteries Trust**

Lasting memories, peaceful places.

# Public notice - road closure

## Northern Memorial Park

May/Andrew Street

COMMUNITY UPDATE | DECEMBER 2017

### Overview

The Greater Metropolitan Cemeteries Trust, which manages Northern Memorial Park, commenced development of the memorial park extension earlier this year. The following important information relates to asphalt works scheduled to take place during the week of 4 December 2017.

### Date and scope of works

Asphalt works are scheduled to take place during the week of 4 December 2017.

Asphalt road surfacing is one of the final tasks and the trust has sought and obtained approval from Moreland Council to close the May/Andrew Street intersection to vehicular traffic for a total of four hours on either Tuesday 5 or Wednesday 6 December.

Should inclement weather delay the works being undertaken at this time, the works will be re-scheduled for Thursday 7 December 2017.

### Will residential access be affected?

Access to residential properties in both May and Andrew Streets will be maintained during this time via a signposted detour, and footpaths and pedestrian access will remain open. Traffic controllers and street signage will assist with directing traffic via the alternate access route.

The closure is likely to be between 10.00am and 2.00pm on either of the above dates (5, 6 or 7 December). The total duration of road closure is not likely to be greater than four (4) hours.
