COMMUNITY UPDATE | SEPTEMBER 2018

Lilydale Memorial Park

Maintenance works – Yarra Valley Mausoleum

Scope of works

Granite wall panels that were removed during maintenance inspection works at the Yarra Valley Mausoleum at Lilydale Memorial Park are to be reinstalled.

The reinstallation follows corrective works that have been completed in accordance with the recommendations of an investigation report. The granite panels will be reinstalled by contractors next month.

Date of works

The work is scheduled to commence in early October and should be concluded in ten days.

Location of works

Adjacent to O'Connor Ave at Lilydale Memorial Park

Where can I find more information?
